SPRINT 3

The screenshot shows the Jira Software interface for Team 7. The left sidebar contains navigation options: Team 7 Software project, PLANNING (Roadmap, Backlog, Board), and DEVELOPMENT (Code, Project pages, Add shortcut, Project settings). The main content area displays the 'Backlog' for Team 7. A banner at the top asks 'Does your team need more from Jira? Get a free trial of our Standard plan.' Below this, the 'Backlog' section shows two sprints: 'T7 Sprint 3' (19 Oct - 30 Oct, 3 issues) and 'T7 Sprint 4' (3 Nov - 16 Nov, 3 issues). All issues are marked as 'DONE' with a green checkmark. A 'Quickstart' sidebar on the right offers options like 'Create a project', 'Deliver more often with scrum', 'Create an issue', 'Invite your teammates', and 'Connect your tools'. A video player is also present in the Quickstart sidebar.
